

## DRY UTILITY GAUGES

For general service applications using air, water, oil & other media not corrosive to brass or bronze. Brass/bronze tube, movement & connection. Dial is white with numbers in PS/Bar.

PMB series have black enameled drawn steel case with chrome or black lens ring and acrylic lens; meets ANSI accuracy standard B40.1 [3-2-3%].

In steam systems, a siphon should be installed between the gauge and the steam line. Gauge appearance may vary but your satisfaction is guaranteed.

### SERIES MB/NB\*-DRY STEEL/PLASTIC\* CASE, BRASS INTERNALS

Dia	Pressure Range	LM	CB	PM	Detail
1"	60, 100, 160psi	No	Yes	No	
1 □"	30, 60, 100, 160, 200, & 300psi	Yes	Yes	Yes	
	15 psi, Vacuum & Compound	Yes	Yes	Yes	
2"	30, 60, 100, 160, & 300psi (plastic case)	Yes	Yes	No	
	30, 60, 100, 160, 200, & 300psi (□" only)	Yes	Yes	Yes	
	15, 400, 600, & 800 psi V&C (1/4" & 1/8")	Yes	Yes	Yes	
	1000, 1500, 2000, 3000, & 5000psi (□" only)	Yes	No	No	
2 □"	30, 60, 100, 160, 200, & 300psi	Yes	Yes	Yes	
	15, 400, & 600psi, Vacuum & Compound	Yes	Yes	Yes	
	1000, 1500, 2000, 3000, 4000, & 5000psi	Yes	Yes	No	
3 □"	30, 60, 100, 160, 200, & 300psi	Yes	No	Yes	
	15, 400, & 600psi, V & C	Yes	No	Yes	
	800, 1000, 2000 & 3000psi	Yes	No	No	
4"	30, 60, 100, 160, 200, & 300psi	Yes	Discontinued.		
	15, 400 & 600psi, Vacuum & Compound	Yes	Limited to		
	1000, 1500, 2000, 3000 & 5000psi	Yes	Stock on hand		
4 □"	30, 60, 100, 200 & 300psi	Yes	No	No	
	15, 400 & 600psi, Vacuum	Yes	No	No	
6"	60, 100, 160, 200 & 300psi	Yes	No	No	
	15, 30, 400 & 600psi, Vacuum	Yes	No	No	
8"	60, 100, 160, 200 & 300 psi	Yes	No	No	
	15, 30, 400 & 600 psi, Vacuum	Yes	No	No	

NOTES: 2" & 2 □" LM are available with 1/10psi increments by request.

Standard connection on 1" and 1 □" gauges is 1/8" NPT, 2" through 4 □" gauges have 1/4" NPT connections standard. Non standard connections for most models available at extra charge.

Plastic 1" & 2" gauges have single scale PSI only dials \* Plastic cases may be available.

Maximum Pointer (drag pointer, lazy hand, teltale, max set) with glass lens for 2 □" gauge available at extra charge.

**SERIES PBB - DRY "BRASS"  
CASE**

Heavily brass plated steel gauge case provides appearance and durability of all brass gauges, but at a much lower cost. Popular in the natural gas and propane markets.

**SERIES PBB - DRY BRASS PLATED STEEL**
